Deanna,
Well we did it, we finished school and now is the time to look to the future with open eyes, heart and mind. I wish you all that you do. But most success is all that you do. But most importantly, have fun in all. Stay cool, and if you make mistakes, its all right so long as you learn from them. Again stay cool and stay in touch. Remember the small people who love you & are always there for you.

Good Luck

Top Of The Line

Dover is the best, from exciting, spirit-filled pep rallies that pound confidence into the players to the fun-filled games themselves. Dover shines above the rest. An award winning band proves us to be the best every time, at competition, half-time shows and concerts. Mr. Lynn's acceptance speech on the Model School Award, let us know that we are important. The students, not just the staff and faculty, make Dover High - the Model School. On October 26, we accepted the honor of being the best and received the banner showing our excellence in education. That's when we knew that we were **Top of the Line.**

Alive With Spirit

The lunches might be classified as "grade E but edible." The classes might be entirely too long. You could be having the worst day of your life, but when Mr. Lynn picks up than microphone and says, "we will now begin dismissing for the pep rally," none of that matters.

Now it's time to go out and give your all for Dover High, to show your spirit. And that's one thing that doesn't change at DHS, model school or not.

Whether it's Juniors at pep rallies or hall decorating with Mr. Girgis and his sophomore crew or dressing out for spirit week, Dover High is and always has been #1 in spirit.

All this is proven as Susie Jacques exclaims at the top of her lungs - Dover is **Top of the Line**

Tops In Academics

To some, academic classes make up Dover High School. All four years, they strive to excel in their chosen academic courses. There's a lot of academic courses and scholarships to choose from, probably more than most people think. Classes include AP (advanced placement) American History, AP Calculus, AP Chemistry, AP English and Great Books to mention a few. Some after school activities include Visual Performing Arts and Gifted Program and Math League.

There are many academic events that our students participate in. Governor's School is by application only. Participants are selected on their excellence in academics, music or the arts. Girl's and Boy's State is held during the summer in June. Two delegates are selected for each and they participate in a mock legistative session for one week in June.

Dover High School has been proud of all of its academic achievers in the past and present. No matter what, Dover High's academics always come out to be **Top of the Line.**

On Friday, May 22, 1987, the Juniors diligently transformed Kent Vo Tech North from an everyday cafeteria to a glorious palace of mystery. Work began shortly after school and lasted until late that evening. The following evening everyone danced to the music of Mike Hines and The Look. Magic and excitement filled the air as friends and couples walked into the room decorated with black, silver, and blue to the theme of "Puttin' on the Ritz." Queen candidates were: Cheryl Baker, Michelle Iseman, Danielle Gribbens, Betty Wilson, and Wendy Moore. Meanwhile, Todd Hastings, John Rowley, Jude Crossen, Joe Bedford, and John Barkley contended for the King title. Finally, around 11 p.m., Cheryl Baker and Todd Hastings were crowned the 1987 Prom Queen and King.

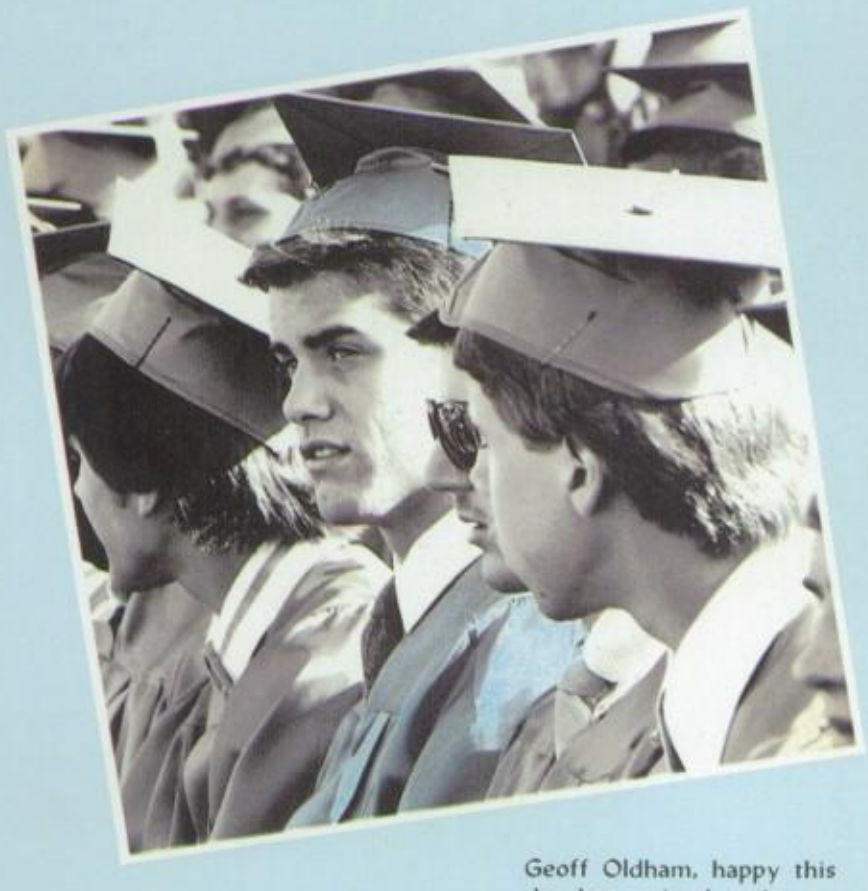
Graduation 1987

On June 6, 1987, the Class of 1987 bid a fond farewell to the friends, staff, and school they had soon grown to know and love over the past four years. Mixed emotions were shared by all. Those of happiness for the chance to move on, out into the real world. Those of sadness for leaving the safe secure atmosphere they have made here at Dover High School.

Jacqueline Richter-Menge, 1975 Dover High graduate, was the keynote speaker. She impressed upon the seniors that high school was the foundation for everything and they can do anything they want. David Thomas, class president, reminisced over the last four years and related them to "Lucky the Dog." Yasmine Wasfi, valedictorian, and Tim Hall, salutatorian, both addressed the audience with their views on their high school careers.

Many have moved on; some to jobs, some to college, and some you still see roaming the halls of Dover High. No matter what or where they may be now, you can rest assured that they are on top of everything. With the Alma Mater of Dover High, how can they go wrong?



Geoff Oldham, happy this day has arrived, waits patiently for his name to be called.

Speaker, Jacqueline Richter-Menge left the graduates with word of encouragement for their future.

Homecoming 1987

The 1986 Homecoming Queen, Michelle Isemann, helped kick off the 1987 Homecoming festivities by riding in the parade down Loockerman Street.

Michelle was surrounded by a dragon, a giant shoe, a hammer, and a dashing Senator on horseback, all of which were better known as the class floats. In the end the dragon burned the rest of the competition to give the Seniors the win.

Susan Cosden was crowned as Michelle's successor and Mike Kiersznowski won the honor of joining her on the throne.

As Dover's new royal couple and their attendants look upon their subjects, they realize that the kingdom of Dover reigns forever as **Top of the Line.**

Model School Award

October 23, 1987

On a clear, windy day in October, over 1700 students, 100 staff members, the Board of Education, State Superintendent, William Keene, Dr. Goate, and Governor Michael Castle gathered at Dover High Stadium to celebrate Dover's acceptance of the Model School Award.

Each school provided a detailed examination of history and achievements of the faculty and student body, involvement of parental advisory groups and community involvement in school life. Last May, a visiting team spent time at Dover High analyzing the school's self study and then prepared a written report on their visit.

Six months of careful scrutiny was enough to satisfy the seventy-one member review panel that Dover should be recognized as a Model School, or in other words, DHS was Top of the Line!

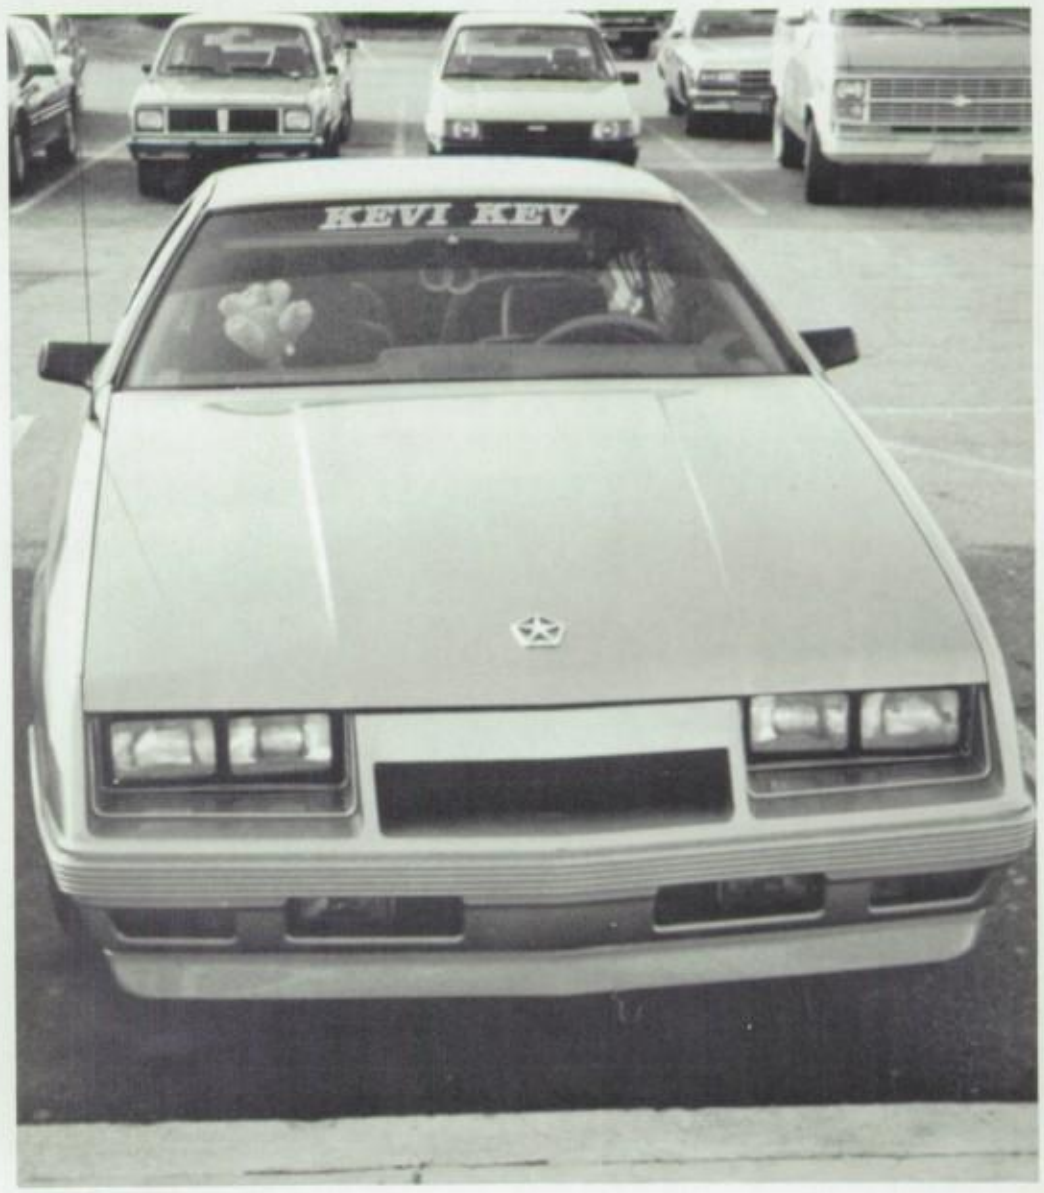
Transportation . . .

Transportation has many meanings to different people. For some, it means a sense of freedom, to others a means of getting to and from school and work. Still, others find transportation to mean the gas tank is always on empty and have to put their last 50 cents towards gas - just to insure they can make it home.

However, along with this sense of freedom, as many people driving through Dover have found in the past months, transportation can have its problems as well. Just when one has learned the latest detour routes, the road crews dig up another road - hence changing the routes all over again.

Ones means of transportation is often used as an escape for being late. "My car broke down," "I ran out of gas" are just a few of the favorites. But, alas, one must make some sacrifices for this freedom.



And Its Problems

With today's high cost of living, it is almost imperative that today's teenager have at least a part time job.

Let's face it. Teenagers have certain expenses. They need things like gas, clothes and lots of food. This doesn't include money for movies, dances and other "emergencies".

After depleting the allowance fund, teens usually hear that famous parental edict. "Get a job!" With this teens make a mass exodus from the world of lawn mowing and raking into the real work force.

Working teens can be seen everywhere. Most prominently found in fast food, they have also invaded the grocery stores, clothing shops and have mounted a full scale attack on the mall. So when you are out there looking for a job, realize you aren't one of the few but one of the many.

The 1987-88 school year was the year of the "naughty" movie. The fall film of '87 was "Dirty Dancing", a film on young love and passion. However, the big "bad boy" of the year was "Fatal Attraction", in which a one night stand get out of hand.

The new year handed us Tom Selleck, Ted Dansen and Steve Guttenberg looking after a toddler in the comedy hit, "Three Men and a Baby." It was about this time that Robin Williams grabbed the microphone and greeted audiences with a hearty "Good Morning Vietnam."

Musically, the big group was the Irish band, U2. The success of their album, The Joshua Tree, was rivaled only by rock idols, Bon Jovi; who won best group at the American Music Awards. Nineteen eighty-eight also brught the release of Michael Jackson's new album "Bad." The LP climed he charts as the one-gloved wonder rivaled the popularity of his sister, Janet's album "Control."

This early Ford provided onlookers with a flash back to the early 1900's.

The year, 1987, marked the bicentennial of the ratification of Delaware's signing of the Constitution. A celebration took place on Delaware Day, December 7. The festivities included a parade with bands and floats from throughout the state, a reading of the constitution and addresses by retired Chief Justice Warren Burger, Governor Castle and other government officials.

Controversy arose when Gov. Castle did not declare the day a state holiday. Dover students protested in front of Legislative Hall attempting to sway the governor's decision. But, in his ultimate wisdom, Castle maintained that school would remain open.

However, most students made it to the celebration with the cooperation of the school district. A few participated in holding signs which stated "We skipped school to be here." which wasn't true since the school allowed the students to participate with parental permission. During the day, Senator Biden caught up with Dover student, Rachel Strickland, and signed her poster, saying - "Please excuse Rachel, she's with me."

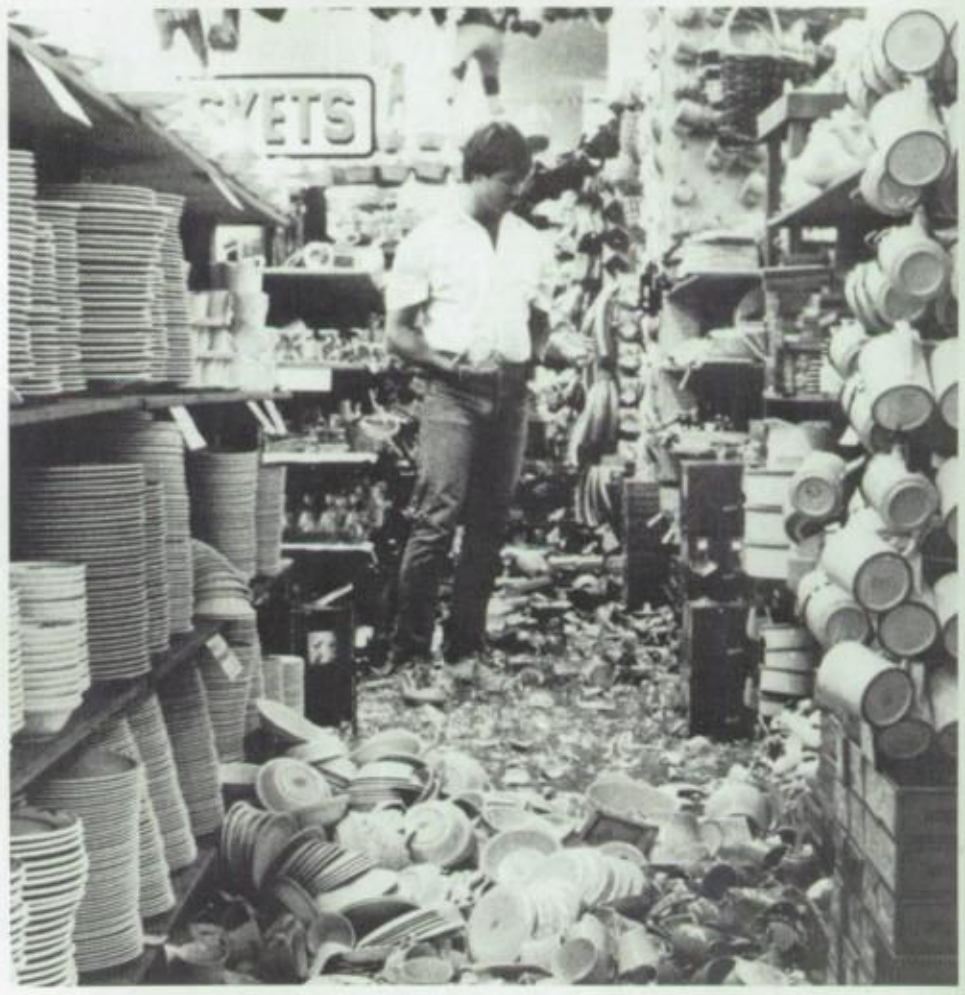
Robert Bork lost the Senate nomination to the Supreme Court.

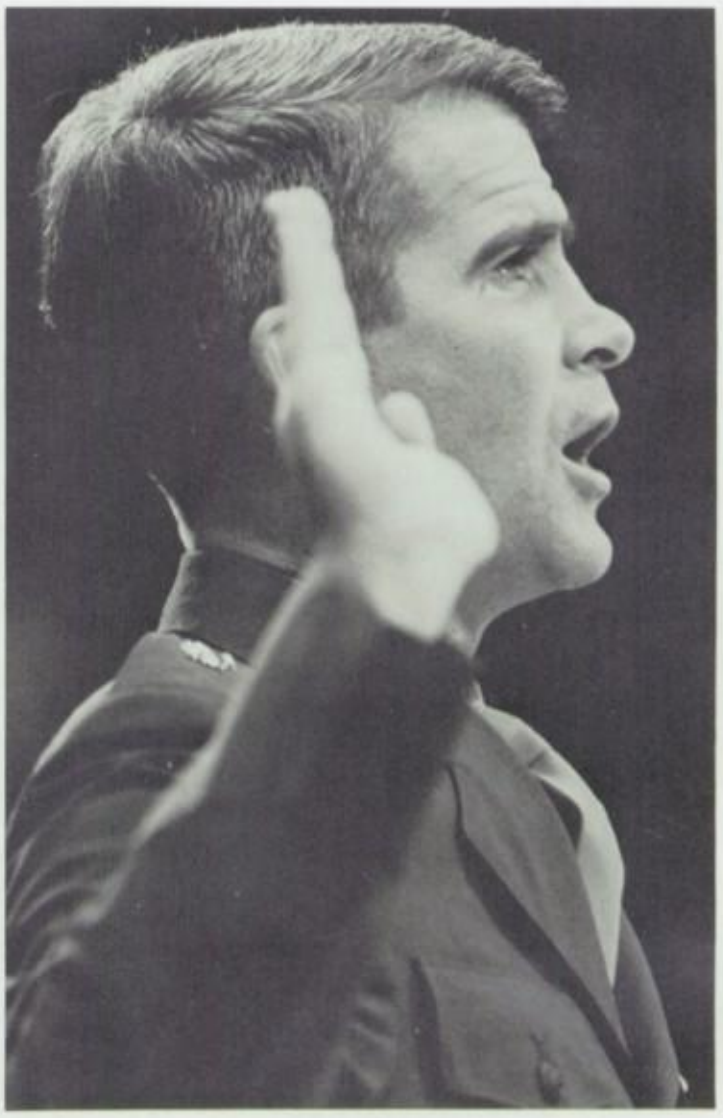
Looking back, one can see that 1987 was anything but a boring year. In fact, it was quite the opposite. Early in March, television evangelists, Jim and Tammy Bakker, said goodbye to their PTL ministry. Jim Bakker resigned aftger confessing to a sexual encounter with a young woman meanwhile his wife stepped out to receive counseling for drug dependency.

Then over the summer, Marine Lt. Col. Oliver North became very much a celebrity. North was a key official in the plan to finance anti-government rebels in Nicaragua with money from sales to Iran. "Ollie" became such a hero to the American people, the latest hairstyle was "Ollie haircuts" and a pro-Oliver North group even went as far as starting his Presidential campaign.

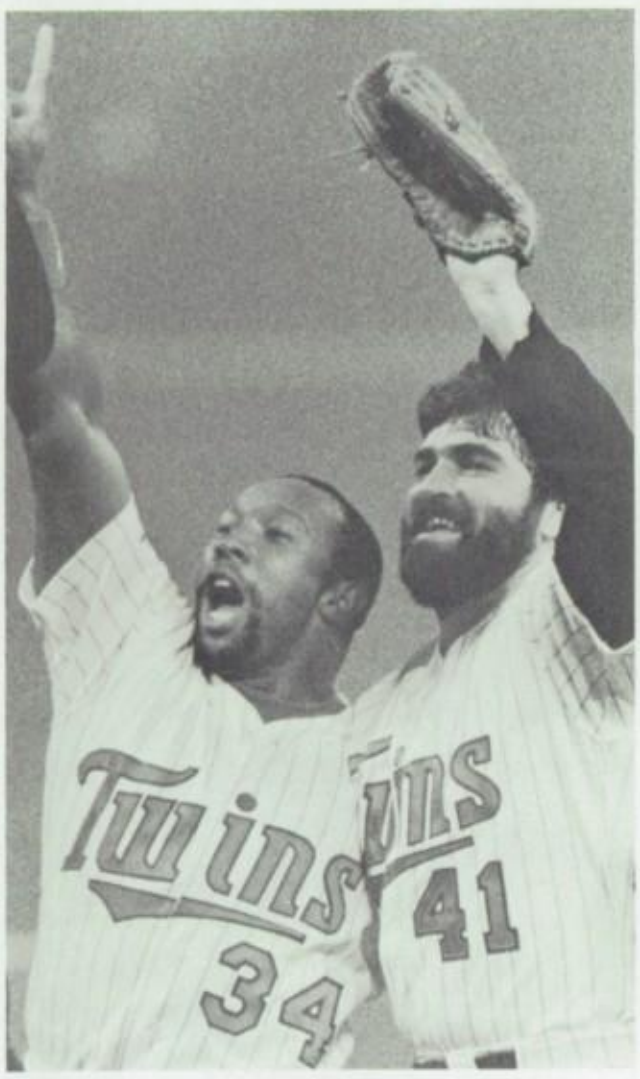


This man is standing amidst a mess caused by an earthquake measuring 6.1 on the Richter scale.

NFL Teamsters and players went on a 24 day strike early last fall.



Marine Lt. Col. Oliver North became somewhat of a celebrity during the Iran-Contra hearings.



Kirky Puckett and J. Raerdon of the Minnesota Twins celebrate their World Series victory over the St. Louis Cardinals.

President and Mrs. Reagan wave to well wishers after Mrs. Reagan returned from Bethesda Naval Hospital.

After that excitement, the American people were provided with even more when on Monday, October 19, the Dow Jones Industrial average dropped 508 points, the largest in history. Because of the crash, approximately $500 billion was stripped from the market values of U.S. securities.

From Pope Paul II coming to the United States for a nine city tour and after four years, Dennis Conner winning back the Americas Cup, to the NFL players going on strike and Robert Bork being denied the nomination to the national Supreme Court, 1987 has been a very busy an exciting year.

Jelle' from the Netherlands

Louise Williams from Great Britain

Terri Fortier, transfer from Holy Cross

There were a lot of new additions to the halls of DHS in the 1987-88 school year. With the closing of Holy Cross High School, many private school students transferred to good old Dover Highy. There are over 30 former HCHS students now at Dover and most seem to be adjusting well from the green to the blue and white.

Exchange students had to adjust to more than a new school. They had to adjust to a whole new country. AFS student was Karl Zederfeldt of Sweden with another student from the Netherlands joining us in February. In addition, Louise Williams from Great Britan arrived with an ASSE exchange program. We hope they all enjoy their stay in Dover.

Top Of The Line

At Dover High School, a student has a wide field to choose from in clubs and organizations. From the Senator Band and Chorus, for the musically inclined, to JDG which helps students find employment, the student can make any decision and be satisfied.

Academic organizations, such as the French and German Clubs, allow students to learn more about another culture. The "Senator", the school newspaper, allows to students to wet their feet in journalism. Other literary programs include the Later Lotus and Doverian. The Math League strives to increase excellence in math and has been very successful.

So, the choice is yours - business, music, art, journalism or academics. Student involvement is the backbone of any club and it is that involvement that keep Dover's organizations Top of the Line.

The Visual and Performing Arts and Gifted Program, VPAG as it is nick-named, is a credited course offered to students who show exceptional aiblity in six areas: drama, visual arts, photography, vocal and instrumental music and dance. Students are nominated by Dover High School staff members and local professionals. The students, themselves, may also submit self-nominations. The course is desinged to help each student perfect their own special talent wih the help of various resource people. The advisor, Gil Given, invests many long hours helping the students achieve this. This year, the group is doing two performances. One is in January and the other is planned for the spring. These workshops enable the student to get instant feedback as to the audience's opinions and feelings toward their work.

The Senator newspaper has undergone many changes over the last year. First and foremost, they received a new advisor. Ms. Pat Thompson is this year's advisor and she has been doing an excellent job. The newspaper produces five printings a year. The first three were excellent and the next two will probably be just as good if not better. So next sale day, have your quarter ready so you can catch up on the lastest school news.

Varsity Soccer

The 1987-88 soccer season marked Coach Tom Nevin's 100th win at Dover High. This was a bright spot in a roller-coaster of a season for th Senators.

After opening the season with a three game losing streak, the DHS kickers turned it around to win the next four. The four wins were negated by four ensuing losses and one other toward the end of the season. The Senators finished out on a two game winning streak and a respectable record of 8-8. However, the returning alumni team edged them out 3-1 in the final game.

Mike Langrell was the team's MVP and Tim Mills was deemed most inspirational. All conference players were: Mike Langrell and Mike Chi - lst team, Tim Mills - 2nd team, Randy? Young and Danny Chi - 3rd team. All state honors went to Mike Langrell - 2nd team and Mike Chi - 3rd team.

JV Soccer

After chalking up two notches in each column in the beginning of the first half of the season, the Dover High JV soccer team ended the season with a three game winning streak. After a 3-0 loss to St. Marks in the second to last game, the JV kickers pulled off a 4-1 win over Lake Forest to end the season with a record of 7-5-2.

Coach Gabrelcik sites the 2-2 tie against Caesar Rodney and the 3-2 win over Milford as the memorable points of the year. The season's MVP was Walker Asserson.

Varsity Field Hockey

The Varsity Field Hockey team got a big boost at the beginning of the season. They tied Seaford for the first time in Dover history. This high note was muted by a second game loss to Lake Forest. However, the Varsity Stickers bounced back with a five-game, mid-season winning streak, which included a 3-1 victory over Caesar Rodney in game seven. They split the remainder of the season with two losses, a win and a 0-0 tie with Sussex Central. The game was played in the rain and a tie kept the team out of the state tournament. The girls finished the season with a 6-3-2 mark. This was their best season in ten years.

Henlopen Conference picks were: Bev Burton - 1st team, Becky Battista - 2nd team, Gina Coleman - honorable mention. Bev Burton got All State, 1st team honors. Goalie, Gina Coleman, was voted the team's most valuable player.

Senators In Actions

Hopes were high for the DHS Varsity Football team after the squad opened the season by winning three of their first four outings. However, the seemingly well oiled machine, piloted by Coach Oxford, broke down after a mid-season tie with upstate Salesianum.

The Senators lost four of their last five with the only bright spot comming from an impressive 42-14 slaughter of the Lake Forest Spartans. The Blue and White finished their season at 4-5-1. Rick Seeney received Most Valuable Player honors.

Heading for the end zone.

The *Roller* Coaster *Ride*

It was a roller coaster ride of a season for the JV Senators. An impressive season opener versus Glasgow was negate on the following outing by a 14-7 loss to Seaford.

The squad picked up two more victories against Salesianum and Sussex Central and seemed to be on a streak until they took a close loss to Milford. The Blue and White came back by routing Lake Forest 32-0 and defeating Cape Henlopen before the contest with Caesar Rodney. The season ended with a disappointing 14-7 loss to CR. However, the squad ended their season with a 5-3-0 mark.

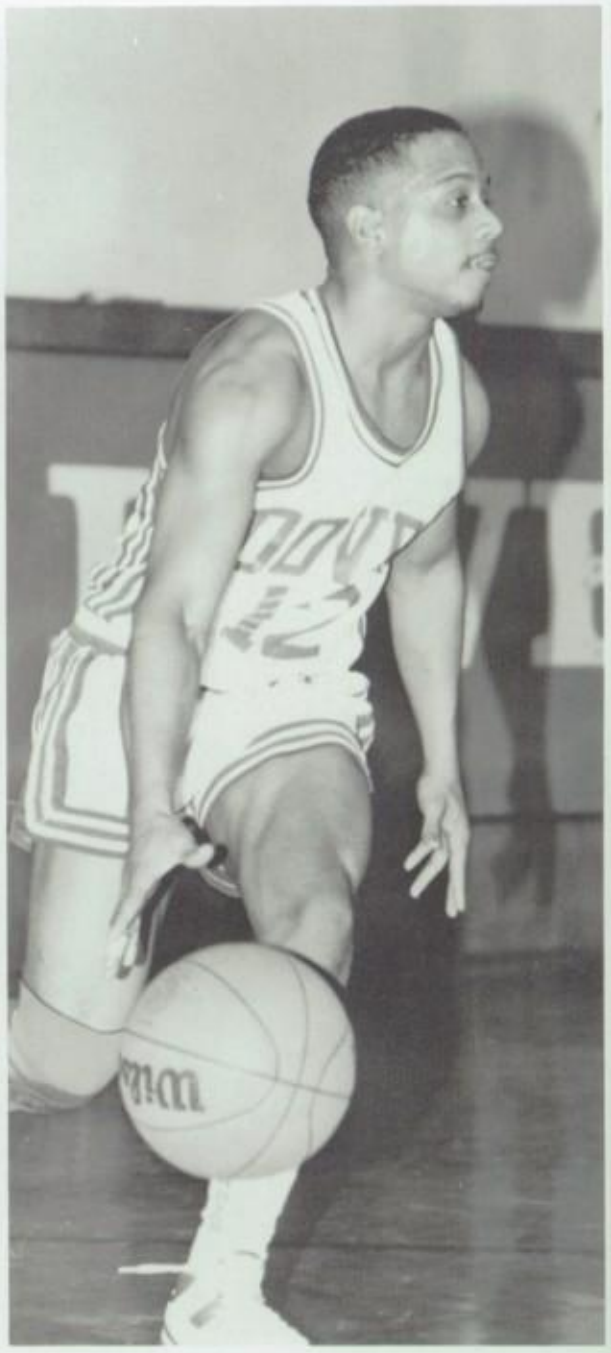
Varsity Basketball

The Varsity Basketball team looked like state champs or something out of the movie, "Hoosiers", winning their first five games in the beginning of their season. However, downstate power, Seaford, put them in their place by handing the Senators a 100-69 loss. This defeat began a three game, mid-season losing streak.

Snapping the streak with a 71-57 victory over Milford, the Varsity Hoopsters won three of their last five to finish the season at 8-5.

M. Casson looks for a way out.



A. Huggins dribbles without any opposition.

JV Basketball

What a magic year for the Junior Varsity Hoopsters. They opened the season by chalking up two in the win column against Mt. Pleasant and Smyrna. Splitting their next four, they had a respectable yet unimpressive 4-2 mid-season record, including a disappointing loss to neighboring rival Caesar Rodney.

But then, this mild-mannered basketball team ducked into the locker room and emerged as super squad! With a collective "up, up and away", they rolled over their final seven opponents which inculuded a 57-54 redemption against CR. They ended their astounding season with an 11-2 mark.

JV Wrestling

The JV grapplers opened their season with an energetic start, winning their first five. During the streak, the Blue and White collectively outscored their opponents 274-42. This included three occasions where rivals were held to six and a 42-0 shutout of Seaford.

However, the streak ended at mid-season as the squad split th remainder of their meets, taking losses to Smyrna, William Penn and Caesar Rodney. They finished the season with and admirable 8-3 record.

Varsity Wrestling

It was an outstanding '87-88 season for the DHS Varsity Wrestling squad. From start to finish the grapplers rolled over their opponents. Some of their more impressive wins were a 66-4 victory over Seaford and a 78-0 shut-out of Woodbridge.

A loss seemed possible in the latter portion of the season as William Penn took Dover to the mat. However, the Blue and White managed to pull out of 23-22 win. This was followed by a 31-25 victory over CR. The squad finished undefeated and walked off with the Henlopen Conference Championship.

Boys' Track

This year's boys' track team, led by Coach Neylan, ended the season with a remarkable 9 wins and only one loss. After losing the season opener to Lake Forest, they finished the season without another loss.

The squad capped off its incredible season by clinching the Henlopen Northern Division Championship and placing third in the Division I state meet. Ed Volkerts, Willie Moore, Cornell Waters and Kevin Magee received all-state honors for the 4 x 200 relay. The same team with Steve Tunstill replacing Willie Moore was all-state champion in the the 4 x 100 relay. Both relay teams placed first in the state meet.

Others placing in the meet were: W. Moore - 110 hurdles - 300 Int. hurdles - 2nd place and G. Klebart - pole vault - 1st place. The season's most valuable player was Willie Moore.

Girls' Track

After a slow start, the Girls' Track team, under Coach Johnson, mounted a comeback in mid-season. The three game winning streak was halted by 115-20 loss to Padua in the final meet.

The squad finished the season with a respectable 4-5 record. The girls redeemed themselves at the Henlopen Conference meet, placing 5th overall. Individuals who placed were: the 4 x 100 relay team - 1st place; the 4 x 200 relay team - 2nd place; Dawn Ellis - shot put - 2nd place and Tabitha Sabb - 2nd place in the 100m and 200m race.

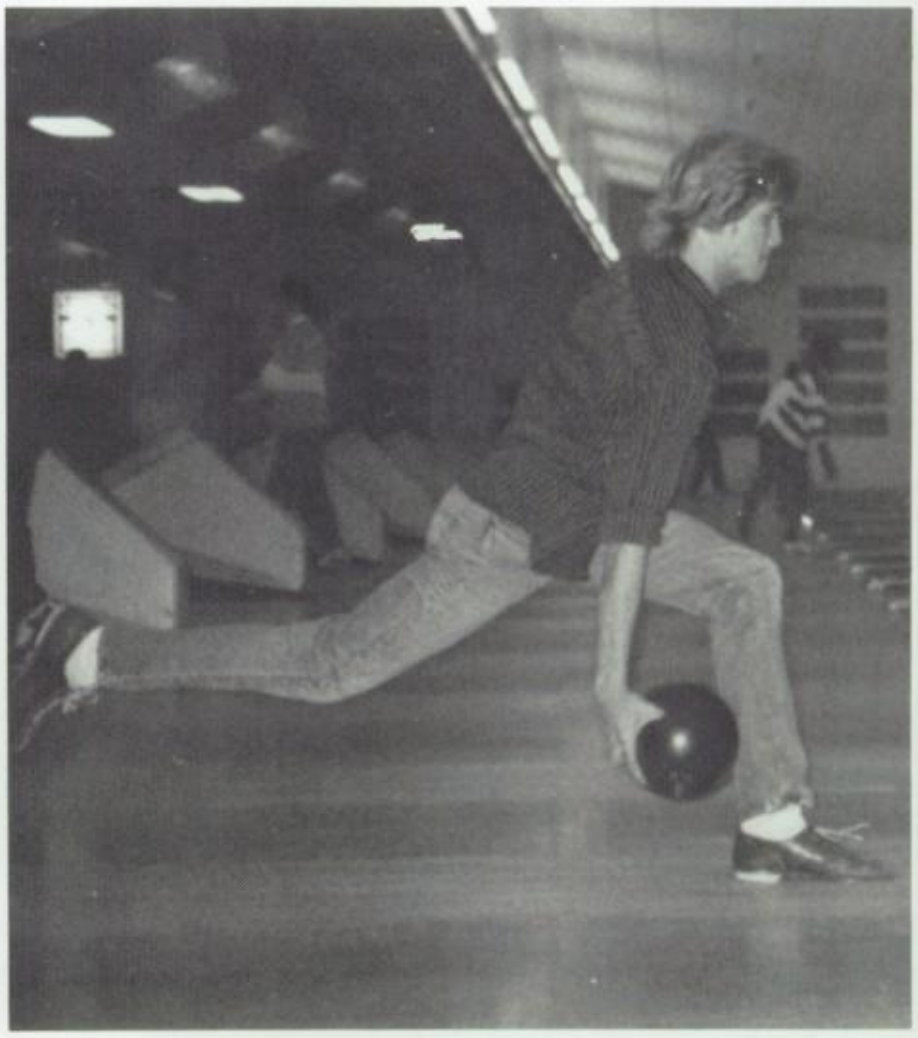
Kevin Burchett, 300 game



George McDaniel, 299 game

Senior, Kevin Burchett has very high hopes for his future in bowling. He hopes to one day own his own bowling alley, but for now he settles for working at Dover Bowl after school. Kevin's highest average was a 224, which is the highest in lower Delaware. He's been bowling for 12 years and practices roughly 1½ hours a day. Last year he went to Tennesee to compete in the Coke Tournament, he won 31st in the United States. Recently, he bowled 24 hours straight for the Guiness Book of World Records. The old score was 69,150 the new one is 74,500.

For Senior George McDaniel, bowling doesn't mean a lifetime career. Electronics is his first love, but for the time being he's quite satisfied working at Shucker's Pier 13. George has already joined the Navy after he graduates from DHS. Not only is bowling his interest so is basketball, baseball and other sports. He has entered many local tournaments. He's been practicing for three years, he only practices 2 hours on Wednesday. His average is 154 and he hopes to improve it in the future.

Varsity Baseball

Another Winning Season

The Varsity Baseball team had a very exciting and rewarding season. They won the Seaford Easter Tournament for the first time in a long while. They also won over Caesar Rodney in their first conference game. Coming within one point of beating Tower Hill, they won the State Tournament. Their record ended with 10 wins and 6 losses. Chris Lawrence was named Most Valuable Player.

Softball

The Girls' Softball team, coached by Mrs. Hall, had a lot of hope the past season. They may have only won two games but their potential was outstanding. Jill Stevens was named Dover's Most Valuable player. She was also selected for first team, All State and first team outfielder for the Henlopen Conference. Sherry Goldsborough had a batting average of 381 which was the highest for the team. She was named Dover's Best Defensive player and honorable mention for the Henlopen Conference.

Cheerleading

At It's Best

The Junior Varsity and Varsity Cheerleading squads had many things to cheer about this year. In July, they attended the Summer Camp at the University of Delaware. It paid off in the long run. Their hard work and dedication won them many awards. The Varsity squad won 11 blue ribbons, a 1st place trophy for cheer, 1st place trophy for dance routine and the spirit stick award. The JV squad did just as well. They won 11 blue ribbons, 1st place trophy for cheer, 1st place trophy for sideline chant, Master Key to spirit award and the spirit stick award. In the Boscov's annual cheerleading competition, varsity took first and junior varsity took first for the second year in a row. They earned scores high enough at the Eastern Cheerleading Association Competition that they were invited to the Grand Finals in March. Good job girls!

Top Of The Line

We are the Seniors of Dover High. We've battled through the crowded halls. We've read your slogans on the walls.

In four years, we have learned many things. Of course, we learned about English, Science and Math. However we learned more about life, about who we are, about what we stand for and about what we want to become.

In athletics, we have sampled the sweet taste of victory and we have also felt the stinging bite of defeat. We've all laughed together with friends and we've all cheered the cheers. We've all been broken hearted and we've all shed the tears.

And whether good or bad we will always have the memories of life at Dover High because they are Top of the Line.

Top Of The Line

Elevator tickets. Sadie Hawkins week. School dances and, "Mom I'm going to the library."

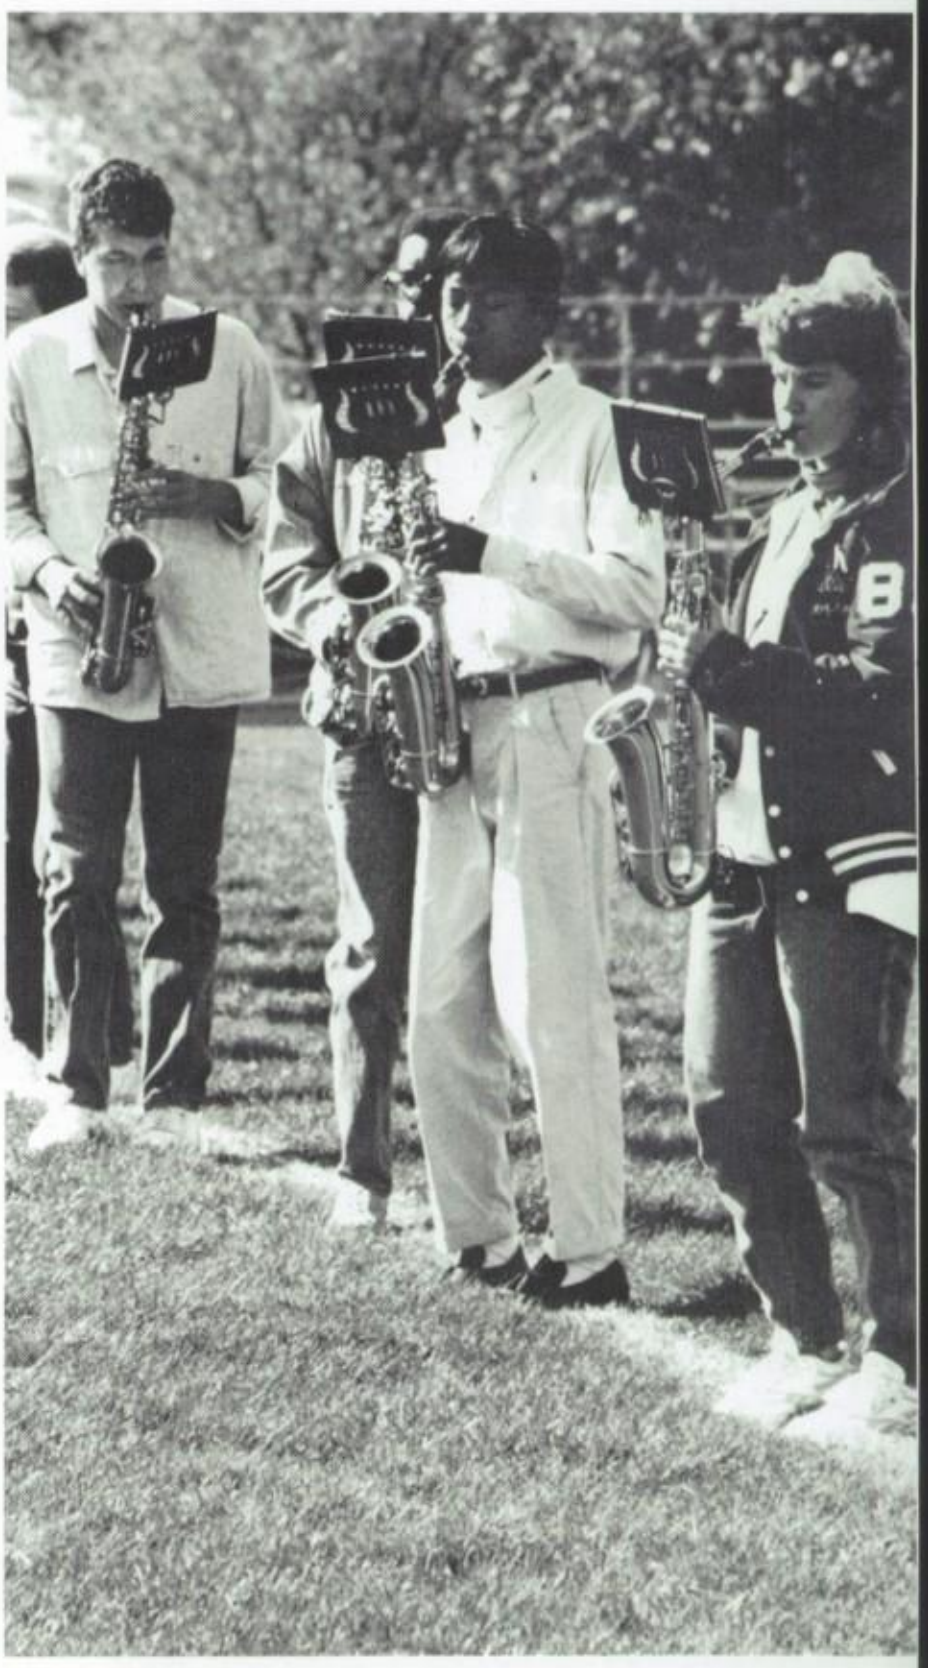
These and many more are familiar phrases in the lifestyles of the underclassmen. Young men and women living a three year mission, to boldly go where no underclassmen has gone before-the Senior zone.

In their journey to achieve this goal, they have encountered many obstacles and experienced much joy. Midterm exams were introduced to the freshmen. Sophomores exalted in the fact that there was someone below them on the totem pole. Juniors could finally go the the prom.

All in all, it was a fun and exciting trip and our travelers have become one year closer to being at the front of the line.

However, no matter what class they are, all Senators are Top of the Line.

Sophomores show their spirit at a pep rally.



The saxophone squad practices for Friday's show.

Top of the Line

Students come and students go, but the faculty remains the same.

On the surface, the faculty appears to be nothing more than your teachers. Behind the scenes, there is much more. The faculty are the people who grade your work, who get you into good colleges, who serve you lunch and who clean up after the mess you make.

With loads of work and problems of their own, the faculty and staff of Dover High affords their students with the best education in the most comfortable environment possible. Our undying gratitude goes out to the teacher staff, administrators, secretaries, janitors, cafeteria staff, nurses and librarians of Dover High School.

Thank you for your help and support of our education which makes us Top of the Line.

Mrs. Benton is always ready to serve you.

Dee,

Hey girl, well we're finally going to make it out of here, and I think I just might miss it a little. Well not really school. Just the people. I'm really glad we became friends this year, you are a kind! Stay sweet, and keep in touch. I hope that where ever you go, and wherever life takes you you'll always be happy! You deserve it! Remember all the fun exciting ok (different) talks we had! I'm gona miss ya! But just because we're going to graduate doesn't mean that we can't keep in touch or get together sometime. Good luck with your Jay! He's a sweetheart too.

Love Janeen

P.S. Don't worry you'll be invited to my wedding! But am I invited to your (ha! ha!) Stay as sweet as you've always been! Love ya. Pam

Dee,
I wish you
the very best
of Luck in your
future with Jarnies
& all other accomplishments.
Good Luck sweetie!
Don't forget all the great
times in Sr. Mags!

Dee,

I just want to thank you for everything you have done and been to me.

Thank you for being there for me through all of the times I've needed you. You have helped me get through some of the hardest times I've ever been through. You have kept me alive with your love and you have made me feel very special and loved. I cherish every second I spend with you. to me, the moments I'm with you are the most special and loving of my life. You have given me a reason to live and be successful in my life.

Thank you for being my girlfriend and much, much more. Thank you for being the one and only person I have ever truly loved.

Thank you for loving me.

You were incredible on prom night. You looked so beautiful. I wish you didn't have to change. Oh Well! ☺

I love you,

Jay

I love You DEANNA HARPER!
I'm spending the rest of my life with you.

I LOVE YOU!
